Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well.
I am writing this from sunny but cold Anglesey with the children from Years 4 and 3 who are here at the Conway Centre for their residential trip along with Miss Norris, Mr Plank and Mr Dentith! The children have been a credit to the school, demonstrating good team work and as one instructor put it using 'positive communication' to work together on the various tasks we've taken part in. Meanwhile over at Pentrellyncymer word from Mrs Roberts is that the Year 2's have also been very busy and by the sounds of things there will be some tired children (and staff returning on the coach later!)
As you will be aware the Friends of the School have organised a school grounds tidy up for tomorrow starting at 9am for the day. As well as local company Eden Restored volunteering their services the hope is that lots of parents, carers and community members pop along throughout the day to lend a hand. I'll look forward to seeing you there.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
Headteacher

Classroom Call - NURSERY

What a fantastic week we have had in Nursery! We have enjoyed celebrating Welsh culture and taking part in our school Eisteddfod. The children painted beautiful daffodils and performed 'clap clap un dau tri' for the children in Reception. We have been looking at Conwy County this week in Nursery with the help of Bertie Bear. He sent us lots of pictures of him exploring places in Conwy including The Welsh Mountain Zoo, Colwyn Bay Library, The Smallest House in Great Britain, Conwy Castle, The Pier and even a picture of him travelling up the Great Orme on a tram! We used these to create different areas in our class. The children have loved taking on different roles in

Parking

A polite reminder to not block residents driveways when dropping off and collecting your children. A number of residents are now complaining regularly to the school about this.

eSafety

Kinzoo Messenger is a free messaging app which does not require a SIM card or phone number and is designed specifically for children which parents can easily control. Find out more [here](#)

our library and smallest house role play areas. We made our own mini Conwy Marina with the boats and water in our outdoor area. We had fun taking action shots of the children and sticking them to wooden blocks to create our own Conwy small world area. This half term our topic is Ready Steady Grown. We went for a lovely walk around the school looking for growing things and signs of spring. We have also enjoyed flower pounding using wooden hammers and daffodils. We will be selling these pictures for our class social enterprise project at the end of this term.
