Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well.

Thank you to the Friends of the school and members of staff who came by last Saturday to help with the school grounds tidy up. There are never enough hours in the day to get everything done and the help with this was very much appreciated.

Please see below for information regarding the various school events taking place during the summer term. The school website calendar has been updated and also includes next years term dates.

This week I met with the Eco Committee and was very interested to hear about the pupil's plans to carry out some planting around the school and to find a way to recycle our food waste more efficiently. There are also some plans coming together for a community litter pick! Keep up the good work!

Finally, our service children and Mrs Hayward have been busy planning the service children celebration day which is taking place next Wednesday. Thank you for the donations brought in today which have totalled £300 and will be going to support Help the Heroes.

I hope you have a nice weekend.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
Headteacher

Classroom Call - 2CW

Class 2CW has had a truly brilliant and imaginative week as we launched our exciting new topic, *Close Encounters*. The children arrived to a surprising and mysterious scene in the garden — what appeared to be a UFO landing site! There were unusual markings on the ground, scattered “evidence,” and plenty of clues to spark curiosity. This memorable event immediately captured everyone's attention and set the tone for a week full of creativity, questioning, and discovery.

The UFO landing inspired a wide range of thoughtful discussions. The children eagerly shared their ideas about what might have landed, who (or what!) could have been inside, and where it might have travelled from. We were so impressed with their imaginative thinking — from friendly aliens visiting Earth to explorers from distant galaxies

Summer Term dates

All the dates for the summer term can be found [here](#) on the calendar page of the school website. See below for some of our key dates:

- Parent Digital Workshop - 11/06 (am)

- Tuesday 1st September 2026
 - Wednesday 2nd Sept 2026
 - Monday 2nd November 2026
 - Monday 4th January 2027
 - Monday 19th July 2027
 - Tuesday 20th July 2027

Staff Car Park

For safety reasons please refrain from walking children through the staff car park especially during the start of the day when staff are driving into the car park. Please use the pedestrian gates to gain access to the school.

on important missions. The classroom buzzed with excitement as pupils built on each other’s ideas and asked fantastic questions. The children continued to develop their writing skills by describing the mysterious event. They used adventurous vocabulary and even started creating and describing their own alien characters, thinking carefully about appearance, personality, and special abilities. In our wider learning, we started to explore the concept of space and talked about planets and the Solar System. Throughout the week, 2CW demonstrated excellent teamwork, curiosity, and creativity. It has been wonderful to see their confidence grow as they share ideas and listen respectfully to others. The UFO landing has truly ignited their imaginations, and we are very excited to see where this topic will take us next. Well done 2CW for such a fantastic start to the term!

Attendance for last week (Yr 1 - Yr 6)

Attendance (1 day = 20% ½ day = 10%)				
	100%	90%	80%	70% or less
Number of pupils	296	8	16	16

We are aiming for all our pupils to achieve an average of 97% attendance a year (6 days absence).
