Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well and that you had a relaxing bank holiday weekend. On Wednesday our junior pupils took part in the annual Pen-y-Bryn Cross Country competition. The teachers commented afterwards on how great it was to see the children supporting one another and enjoying taking part. Well done to Wyddfa for getting their house to the top of the score board. Thanks go to Mr Dentith for organising the event. Next week there will be trials taking place for pupils to then compete at a cross country competition at Eirias High. Not only was today Sir David Attenborough's 100th birthday it was also our outdoor learning day! Children across the school have enjoyed taking their learning outdoors, working with other year groups as well as taking part in some forest school activities. Finally, please read below for further information regarding an informative digital safety workshop for parents which we have arranged to be delivered by a qualified trainer. I hope you have a nice weekend.

Yours sincerely / Yn gywir,

Mr Richard Monteiro
Headteacher

Classroom Call - 1TE

Happy 100th Birthday to Sir David Attenborough!
In year 1 we have been talking about the world around us, and who else to inspire us but Sir David Attenborough. This has worked well in conjunction with the Colwyn in Bloom School's Art Competition. The competition asked the children to design a garden for Sir David Attenborough's 100th birthday. Following a brief introduction about some of the things that he has done in his lifetime, the children began to discuss and draw the environment that would be good to attract wildlife. They had some great ideas and have drawn some lovely pictures. Good luck in the competition!

Date Change

The Friend's 'Crazy Hair day' will now be on Thursday 4th June (instead of 21/05).

Flyers

Please see the flyers below for the various activities taking place in the local area including the 'Playing Out' sessions over the half term holidays.

Digital Safety Workshop

On Thursday 11th June 9am - 11am a fully funded session with an expert trainer has been arranged for all Pen-y-Bryn parents / family members on the important topic of digital safety. The session has been designed to help parents and carers understand the benefits and risks of children and teenagers going online. It includes discussion about online gaming and social media as well as helping children, teenagers and parents prevent, identify and report dangerous online behaviour. There is no need to register for this, although closer to the time a survey will go out in the newsletter to gauge numbers.

After some information from Sir David Attenborough via YouTube we have been discussing our recycling, and thinking about the affect we have on our own environment. In class we recycle plastic and food waste. We will also be recycling paper. We had some plastic bottles and instead of putting them in the recycling bin we decided to make planters. We planted sunflower seeds in our recycled planters and will take them home to grow. In school we have begun to create our own wildlife flower garden in the hope to attract more wildlife and improve our own environment.

We are also looking forward to our Forest School session on Friday with Greg!

Attendance for last week (Yr 1 - Yr 6)

Attendance (1 day = 20% ½ day = 10%)				
	100%	90%	80%	70% or less
Number of pupils	294	8	20	14

We are aiming for all our pupils to achieve an average of 97% attendance a year (6 days absence).

Dates for your diary	11 th May Friends Meeting	20 th May Class Photos	22 nd May Close for Half Term	1 st June School Open
