Dear Parents / Annwyl Rieni

Welcome back to a new academic year here at Ysgol Pen-y-Bryn. I hope you had a relaxing summer and made the most of the warm weather.

We have certainly hit the ground running in school with classes starting their new topics and making plans for the Autumn term. As always the calendar on our school website ([click here](#)) will be updated with school events with teachers also sending class updates via SeeSaw.

Attendance in school continues to be an area for improvement. The attendance table in the newsletter has been changed from weekly percentages of attendance to show the days of education lost across the school due to absence. Your support with attendance is greatly appreciated.

Peripatetic music lessons will soon be restarting. I do not know of another Primary school that has such a large proportion of pupils who can play an instrument than PyB and I will be looking forward to seeing all the progress made during the year.

Yours sincerely / Yn gywir,
 Mr Richard Monteiro
 Headteacher

Classroom Call - 4DD

Year 4 have had a fantastic first week back! In Dosbarth 4DD, we have been enjoying a range of activities to help us get to know each other. We worked together to create a class jigsaw, with each child designing an individual piece to show how everyone plays an important part in making our class complete. We followed an online tutorial to learn about graffiti art and used our new skills to design colourful graffiti-style names for our lockers.

Parking

Parking around the school, especially at the end of the day, has been slightly hectic since starting back. If possible, walking to collect or parking further away and walking in would help alleviate the problem.

Punctuality

As a reminder Junior pupils need to be in school by no later than 8.45am and infant pupils by 8.55am. Punctuality is important not only for school but also as a life skill for our pupils.

Form B

Please make sure to return completed Form B's which were given out this week as soon as possible. It is important that we have up to date records for the new academic year.

We also joined our new classroom on Hwb and used the MyMaths platform for the first time.

As part of our school values, we discussed the importance of RPM (Respect, Politeness and Manners) and created eye-catching posters to promote these throughout the school.

Finally, we began our new topic, Cymru a Fi, by designing creative front covers for our work. What an excellent start to the year!

Attendance for last week (Yr 1 - Yr 6)

Days of school missed due to absence					
	1 day	2 days	3 days	4 days	5 days
Number of pupils	n/a	n/a	n/a	n/a	n/a

We are aiming for all our pupils to achieve an average of 97% attendance (this equates to 6 days of absence in an academic year).
