Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well.

Next Monday will be our Autumn term parent open evening, I hope you are able to attend. As always if you need to arrange a different date or a formal slot to discuss your child with their teacher please mention this to your child's teacher or contact the office.

The annual Book Fayre has started today and will be with us next week where during the school day children will be able to browse the books available.

My thanks go to the two parents who have volunteered to join the Governing Body. As there is currently only one parent governor vacancy a vote will now be held, with more information on this next week. Finally, well done to all those who took part in the Urdd cooking competition (CoggUrdd) on Thursday, organised by Mrs Woodbridge. There were some amazing cakes on display and I know our Chair of Governors Dr Kitson and her husband had a tough (but enjoyable) afternoon judging them all! Llongyfarchiadau to Felix in 4NC for being the overall winner! I hope you have a nice weekend.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
Headteacher

Classroom Call - 2ER

2ER have been thoroughly enjoying our Globetrotters topic this half term as we explore the wonderful world around us! We were very excited to receive a mysterious secret suitcase from Dewi the Dragon, who asked us to help him discover more about the world we live in. Since then, we have been exploring maps, learning about the different continents and discovering what life is like in countries around the world. So far, we have travelled from Wales to Spain, South Africa and Bali, comparing places and learning about the people, cultures and environments. We have also created some bright and colourful fact files all about Bali!

We have been busy putting our Science and technology skills to the test, inspired by the story Handa's Surprise. Our challenge was to design and make Handa a new basket that was both strong enough to hold her fruit and waterproof enough to withstand the rain.

Nasal Flu Vaccine

Following the visit from the NHS Immunisation team last Friday. They are currently organising either a revisit to the school or a drop in clinic to provide the nasal flu vaccine. Details to follow when available.

Service Children Data Collection

Please help us to gain an understanding of our Service community by completing and submitting this [form](#) by 23/10/26. Annually, we share the total number of Service children enrolled at our school with [SSCE Cymru](#).

Halloween Disco

Please see the flyer below for the Friends of the School Halloween Disco taking place on Thursday 22nd October. Thank you to Arty Expressions who are kindly hosting the disco this year and DJing!

Midday Supervisors Needed

We are in need of more Midday Supervisors! This is always a difficult role to fill between 11.45am and 1.15pm. Please contact the office if this is something you'd like more information about.

First, we investigated and tested different materials before designing our own baskets. This week, it was time to become official basket testers! We carefully checked whether our baskets could hold the fruit and then put them to the test by pouring water over them to see if they would stay intact. We had lots of fun testing our baskets and discovered so much about the properties of different materials and how these affect their usefulness. Our Globetrotters adventures are certainly keeping us busy, and we can't wait to discover where Dewi the Dragon will take us next!

We have also been working really hard in our daily numeracy and literacy sessions and have been focusing on learning high frequency words and spelling patterns from Speed Sounds 2. In our writing we have been learning how to use openers and are now starting to use these in our recount work. This week in numeracy sessions we have been sorting 2D shapes using Venn diagrams and looking at their properties.

The children have made a great start to Year 2 and are working really hard! Well done Year 2.

Attendance for last week (Yr 1 - Yr 6)

Days of school missed due to absence					
	1 day	2 days	3 days	4 days	5 days
Number of pupils	10	11	3	0	14

We are aiming for all our pupils to achieve an average of 97% attendance (this equates to 6 days of absence in an academic year).

The poster features a large, detailed illustration of a goat's head with prominent horns in the background. On the left, three photographs show young boys in rugby gear: one jumping for a high ball, one holding a rugby ball, and one running with a ball. The text is bold and yellow and white, set against a dark background with yellow splatter effects.

U11 PLAYERS WANTED

SCHOOL YEAR 6

We're looking for U11 players who are currently in Year 6 to join our rugby training – all levels welcome, whether you've played before or just want to try something new.

FRIDAY 6.00 - 7.30 PM

LLANDUDNO RUGBY CLUB

NEW PLAYERS WELCOME!
