Dear Parents / Annwyl Rieni

Please find attached to this week's newsletter a letter regarding the Christmas fayre next Friday. With Santa Claus, his reindeer, a Christmas choir, an inflatable snow globe and all the other Christmas fayre traditions the event is going to be lots of fun and my thanks go to the Friends of the school volunteers for all the planning that has gone into the event.

As well as the fayre the first of our Christmas performances will be starting next week with our Reception and Year 1 shows taking place. Our nursery pupils are also looking forward to their Christmas classroom day with parents and family.

Finally, our ASDA Cashpot for Schools is now at over £400! The scheme is due to finish at the end of November, thank you to everyone who has been shopping at ASDA.

I hope you have a nice weekend.

Yours sincerely / Yn gywir,  
Mr Richard Monteiro  
Headteacher

## *Classroom Call - 5DD*

Another busy week in Year 5 saw us learning about Y Tywydd yn Gymraeg including playing Bingo Y Tywydd! We have also been mapping the continents of the world using an atlas *Da iawn pawb!*

In our child-led planning we talked about how we wanted to learn about how the Tudors kept fit and healthy. We compared Tudor football with modern day football and put our results on a Venn

### e-Safety

This week pupils in Year 6 have been debating the pros and cons that technology has on the life of children and teenagers with some interesting opinions and facts being shared. Following on from this each week we will share a link in the newsletter to a parent guide on one of the many apps / platforms this new generation is exposed to. This week's guide is on WhatsApp. [Click here](#)

### Learning 2Bee

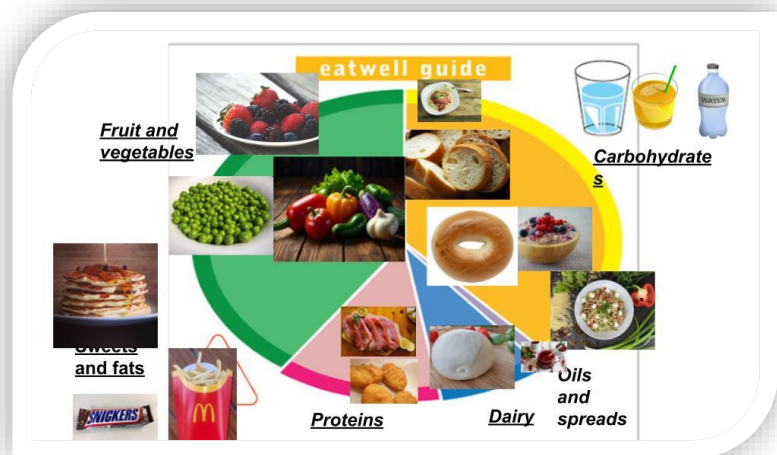

Please see attached flyer regarding Christmas craft dates at Learning 2 Bee.

### Punctuality

Each school day is separated into two 'sessions' a morning and afternoon session for which each child's attendance is recorded. Please be aware that the junior morning register is called at 8.45am and the infant morning register is called at 8.55am, a child who arrives after the call of the register is marked late. Arriving at school on time avoids any awkwardness for children arriving late and allows them to settle into class alongside their peers.

diagram. Rich Tudors ate a diet consisting mainly of meat and believed that eating raw fruit and veg was bad for you! Year 5 proved them wrong by designing their own healthy plate for today, safe to say our plates were FAR better for us!

On a gorier note, we looked at medicines of the 16<sup>th</sup> century - we certainly don't want to visit a Tudor Doctor when we're poorly! We began to learn about Tudor explorers and can't wait to see
