Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well.

The Year 6 children who took part in the Boreatton Park residential trip this week had a great time. Mr Edwards, Mrs Williams and myself were very impressed with the team work that the pupils demonstrated during the various activities - which included outdoor laser tag!!

As you will see in the other news section of the newsletter the whole school photo is now available from Tempest, orders placed before half term will receive free delivery to school.

The Friends of Pen-y-Bryn have organised a nursery soft play morning at the community centre for tomorrow at 11am - 1pm please visit the Friend's Facebook page for more information. Thank you also to the Friends for organising the Year 1 parent workshop that took place this week which was well attended and lots of fun!

Finally, a big well done to our netball team who played a friendly match against Hen Golwyn this week. By all accounts it was an enjoyable game with both teams playing very well, and a rematch is on the cards for next half term. I hope you have a nice weekend.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
Headteacher

Classroom Call - Nursery Plus

In Nursery Plus we have been talking about 'Teen tiny things'. After doing our fingerprint bugs last week the children asked to do butterflies this week as they said that caterpillars turn into butterflies like the story of the hungry caterpillar. We decided to paint symmetrical butterflies. The children chose which colour paint to use, painting the butterfly on one side then giving it a magic rub to make it symmetrical. The same on both sides. They look beautiful.

We have also been discussing road safety and watched a short video called Moe explores road safety. We talked about always holding an adult's hand near the road, finding a safe place to cross the road, looking both ways and listening for vehicles. We also talked about looking out for sneaky driveways. We then went out for a walk in Colwyn Heights practicing what we have talked about. The children are continuing to care for the plants in Nursery Plus, our strawberry patch is coming along nicely and the children are looking forward to picking them to eat at snack time. The children grew their own cress and have now taken them home to eat.
