Dear Parents / Annwyl Rieni

This newsletter marks the end of a very busy spring term! Thank you to Miss McTague for organising the careers week for KS2 pupils this week and to those of you who were able to come into the classrooms to speak with the children about the world of work.

The Friends infant and junior Discos were well attended on Thursday night and raised £659.21. Funds raised by the Friends continue to support teacher requests for resources, developing the STEM room and also work in the summer term will start on developing the outdoor garden areas.

Three parents have kindly volunteered their time to serve on Ysgol Pen-y-Bryn's Governing Body. When we return from the Easter break more information will be shared along with the opportunity to vote for our next parent governor.

I hope you have a restful Easter and we will look forward to welcoming the children back to school on Monday 8th April.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
Headteacher

Classroom Call - 2ER

2ER have had a very busy half term and have enjoyed their final week learning about Easter including ordering the Easter story. The children have really enjoyed making their Easter baskets, following instructions to show them how to draw the Easter bunny and making their own town for the Easter bunny in the class construction area. At the end of the day, the competition for the winning 'Bunny design' will be announced and the children are excited to learn who is the winner of the chocolate egg!

This term has had a very creative focus with lots of imaginative writing, roleplay and story telling. This week

Pre Nursery Pen-y-Bryn

Pre Nursery Pen-y-Bryn is now officially operational and taking bookings for children aged between 2 and 3 years of age. Please share and help spread the word. More information on the school website [here](#).

the children also became story tellers. They used the fairy tales they had planned and written last week to help them tell a story using Pie Corbett story actions. The stories being retold by the children can be found on Seesaw and they retold them with expression and wonderful enthusiasm. Some of these were also presented in today's Foundation Phase assembly.

Well done 2ER for a really positive term and for all your hard work and brilliant attitude towards learning new things.
