Dear Parents / Annwyl Rieni

I hope this week's newsletter finds you well. Despite some worrying forecasts these last few days there has been minimal disruption from the weather and it has been very much business as usual (with the exception of a few snowmen on the field!)

The Friends Film nights will be taking place next week, please note the pick up time has been extended from 5pm to 5.15pm to allow for the runtime of the films.

The new windows have almost all been fitted this week for the Year 4, 5 and 6 classrooms with just a few remaining to be done. Also, work on the Canopy for RLH has started, which the Friends have kindly funded.

Finally, the Eco Committee shared their plans for a fruit tuck shop in assembly today. Look out for further information from the Eco Committee about their initiative to promote healthy eating and to highlight issues of sustainability.

I hope you all have a nice weekend.

Yours sincerely / Yn gywir,
Mr Richard Monteiro
